A little help before the fun

Everything you need to get your event planning started.

DO I NEED MONSTERBALL STAFF?

Not always. Some inflatables can be supervised by responsible adults or volunteers, while others require trained Monsterball operators. We'll confirm what your booking needs.

IS DELIVERY, SETUP & PACK-DOWN INCLUDED?

Yes! We take care of professional delivery, setup and pack-down. Free delivery applies within 30 km of our Geraldton base; additional distance is quoted separately.

WHAT POWER DO I NEED?

Most inflatables run on standard 10A power outlets, although larger setups may need multiple power points. Generator options can be discussed when you enquire.

HOW MUCH SPACE DO I NEED?

Every inflatable is different. Share your venue details and available space, and we'll help you find the right fit.

CAN INFLATABLES GO ON CONCRETE OR BITUMEN?

Many can be set up on grass, concrete or bitumen using the correct anchoring method. Additional anchoring costs may apply on hard surfaces.

WHAT HAPPENS IF THE WEATHER IS BAD?

Safety comes first. Strong winds and unsafe weather can affect inflatable hire. If conditions are a concern, our team will discuss the available options with you.

ARE YOU INSURED?

Yes. Monsterball carries $20 million Public Liability Insurance, and our inflatables are regularly inspected and maintained.

HOW FAR IN ADVANCE SHOULD I BOOK?

The earlier, the better! Weekends, school holidays and popular event dates book out quickly, so get in touch early to secure your favourites.
